We have enjoyed working with Ronald and have been really impressed by his thorough approach and knowledge. He is easy to get along with and has been very friendly to all staff and children. Ronald has very high expectations of the children and we have had to have a conversation with him to ensure that his approach to behaviour management is in line with our school policy. Following this conversation, we are confident that Ronald will continue to build positive relationships and enjoy working with our children.

We have had a fantastic experience with Karen. She is always prompt and well organised and has established excellent relationships with the children in our Year 6 class, who really look forward to her lessons each week. Her lessons are well planned and resourced and lead to a meaningful project. Karen has managed behaviour positively and effectively and it has been a pleasure to have her at Coppermill!
